Celebrating 40 Years of Service

Mobile Chapter

1976-2016

Sponsored by:

Sickle Cell Disease Association of America — Mobile Chapter, Inc.

1453 Springhill Avenue Mobile, AL 36604

Ph. 251-432-0301 Fax 251-432-3347

Goals

- Provide education and counseling the individuals diagnosed with sickle cell disease, sickle cell trait, and other related hemoglobinopathies.
- Offer education about these disorders to health care professionals, paraprofessionals, as well as to individuals directly affected by sickle cell disease and other interested audiences.

Course Requirements

- Attend all sessions of the four-day program.
- Conduct an educational presentation on any aspect of sickle cell disease or any other abnormal hemoglobin.
- Successfully conduct an actual counseling session under the supervision of program staff.
- Achieve a passing score of 80% or higher on the final examination.
- Re-test must be taken within three months if a score of 80% was not achieved on the final exam. Failure to pass the re-test will result in the individual having to re-enroll in the Sickle Cell Certification Program.
